April 7, 2025

WWSA Sewer Customer,

RE: WWSA sewer transfer to Saratoga County Sewer District #1

This letter is to inform you that the Town of Wilton Water and Sewer Authority has transferred ownership and operations of the entire sewer system in the Town of Wilton to Saratoga County Sewer District #1 effective April 1, 2025.

This is good news for Wilton residents and will result in a decreased bill for sewer services. Sewer billing for operations and maintenance has been done quarterly in a combined water and sewer bill. The quarterly fee was \$51.75 with an annual total of \$207.00. Your new sewer bill for operations and maintenance will be reduced to \$50.00 annually and will be assessed on your property tax bill beginning with your 2026 property tax bill.

For this year 2025 you will be billed for 25% or 1/4 by the WWSA on your April water and sewer bill. This is the final bill for sewer service you will receive from the WWSA. Saratoga County Sewer District #1 will send you a partial bill for \$37.50 to cover 75% or 3/4 of 2025.

For any sewer related issues please contact Saratoga County Sewer District #1 they have staff on call 24 hours per day at 518-664-7396.

Sincerely,  
Mike Mooney  
Director
